### ESTATE

Founded by Abruzzo native Gianni Masciarelli in 1981, Masciarelli and its wines have become the standard bearer for the Abruzzo region, and an inspiration to all emerging Italian wine regions. After a summer in Champagne, Gianni Masciarelli became convinced that world-class wines could be produced in Abruzzo, and through tremendous vision and non-stop innovation, Masciarelli became one of the most admired wineries in Italy.

### WINE

The Marina Cvetic Montepulciano d'Abruzzo represents an intense and remarkable expression of Abruzzo's main variety. The 100% Montepulciano d'Abruzzo comes from 8 of the estate's top parcels and truly represents the summit of what Montepulciano can achieve. Villa Gemma may be the most famous Montepulciano produced by Masciarelli, the only Italian wine to win the coveted Tre Bicchieri award 14 times (and counting), but many view the Marina Cvetic Montepulciano as its equal in quality, differing only in style, and often benefiting from the fact it is blended from parcels crossing a range of altitudes and soils.

WINE ADVOCATE

"A full and generous wine [...] You get a lot of pretty intensity here with black cherry fruit, blackberry, sweet spice and tobacco. The wine is richly textured and full-bodied, or perfect with an epic T-bone steak on the grill with a side of fried potatoes to soak up the meat juice on your plate." - 10/2021
