

VINTUS

Sixth-time back-to-back Importer of the Year winner Michael Quinttus founded Vintus in 2004 after years as a portfolio manager at Kobrand. Striking out on his own, he sought to build a small collection of family-owned estates from all over the world. The portfolio now includes legendary producers such as Bollinger in Champagne, Chanson and Lucien Le Moine in Burgundy and Rhône legend E. Guigal (a 14-time Top 100 Winery), as well as new names like Rotem and Mounir Saouma in Châteauneuf-du-Pape. In Piedmont, it's Sandrone; in Bolgheri, Le Macchiole. — JARED HOOPER | 34TH ANNUAL W&S BUYING GUIDE 2020
