ABOUT CHAMPAGNE AYALA

Ayala is one of the most exciting stories in Champagne today — the definition of a boutique Champagne producer. Independently owned, a small, young and dynamic team handles every step of production from grape reception to labeling in their jewel of a facility with incredible precision, crafting Chardonnay-focused wines that deliver immense pleasure, freshness and elegance.

THE WINE

Ayala's Brut Nature is a zero-dosage Champagne that is aged for nearly four years. It reveals elegant complexity, with extended autolysis highlighting the exceptional quality of grapes from Champagne's best crus. The blend features primarily Chardonnay, with Pinot Noir and a touch of Pinot Meunier for balance. Its bright gold color leads to a fine nose of citrus and subtle saline notes. On the palate, it is clean and complex, offering dry mineral flavors and vibrant grapefruit and white fruit, all while maintaining freshness and tension.

"A subtle nose on this wine stays clean and high toned. The palate is energetic, with bright saline acidity drawing out lean white peach, Marcona almond, sea spray, and clay-chalky minerality, edged with flaky salt."
